Re: Nippon Shinyaku Co. v. Sarepta Therapeutics, Inc., C.A. No. 21-1015-JLH

Dear Judge Hall:

Pursuant to the Court's December 11, 2024 Oral Order (D.I. 644), the parties write to provide the Court with corrections to voir dire question number 3, which add a few attorney names who might be present at the trial and remove names of other attorneys who are unlikely to be present at trial, and question number 7, which contained a misspelled witness name. The parties respectfully request that the Court use the voir dire attached hereto as Exhibit A for jury selection, which solely corrects questions number 3 and 7.

Respectfully submitted,

/s/ Amy M. Dudash
